Math class
Ron

The building of our new Senior High School is accomplished in two steps, one immediate, the other long range. The physical completion of the building and equipment of the various classrooms, constitute the first step. Construction and broadening of the students' minds is the long range project of utmost importance. Through this yearbook, we have attempted to show the manner in which this second step is accomplished.

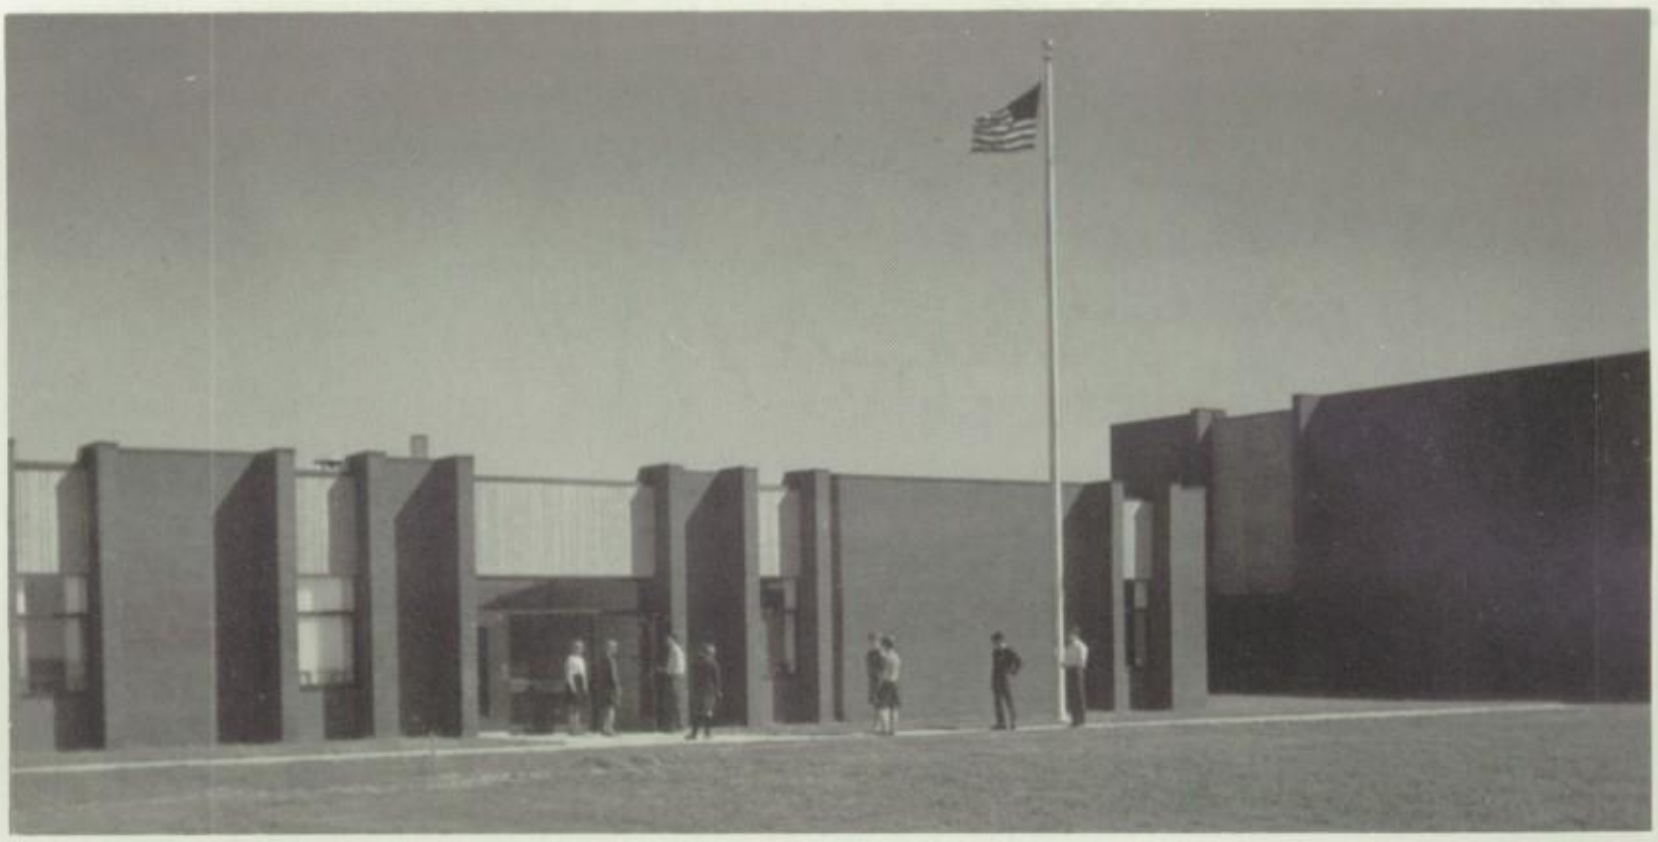
Open House and Dedication

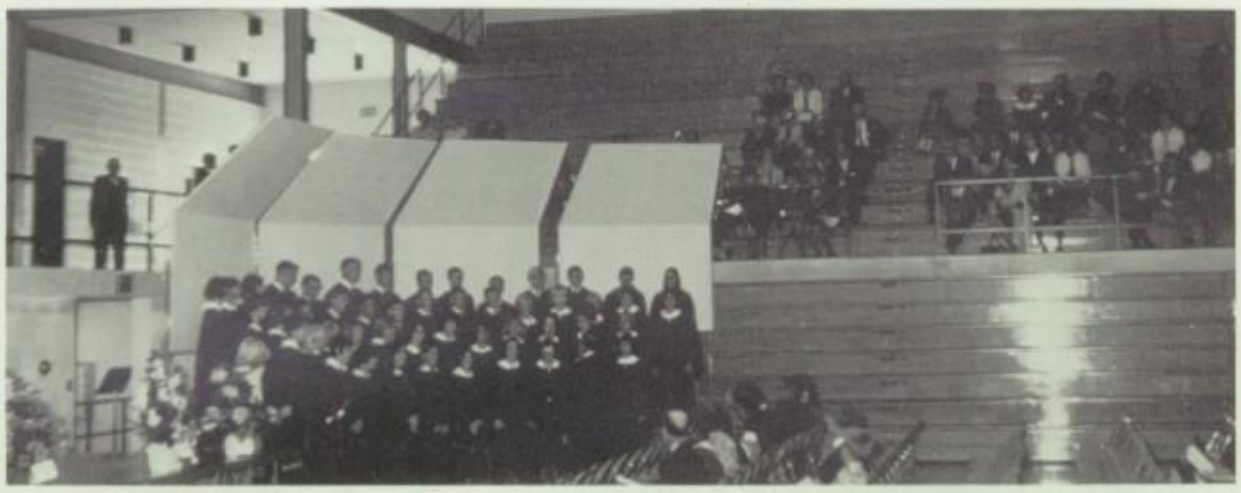


Our newly completed Montevideo Senior High School

The members of the Board of Education, the Administration, and the Faculty who assisted in the planning and construction of the new Montevideo Senior High School, proudly presented it to the people of this area on September 25, 1966.

The doors of the new buildings were opened at 1:00 P.M. and Mr. Oliver Melting directed the Senior High School Band in an instrumental concert from 1:00-1:30 P.M. After the concert was completed the dedication program was opened by Reverend Christopherson, with the invocation. Superintendent Ralph B. Norland then introduced the platform guests. The actual presentation of the building followed. Lester E. Schull, of the construction company, presented the building to the architect, Louis R. Lundgren, who in turn presented it to the School Board. Mr. Reed Just, vice-chairman of the Board of Education then presented the building to the school district. Mr. O. C. Lillemoe, chairman of the Board of Education gave the dedication address which was followed by three numbers sung by the Senior High School Chorus under the direction of Mr. Laurence Odean. The program was concluded with the benediction by Reverend Christopherson.

The people present were then free to explore the new building alone or to seek the aid of Student Council or Ushers' Club members who pointed out things of interest in the new building. Some of the things that the people wanted to see were: the lovely new library, the science laboritories, the speech room, the physical education unit, the industrial arts facilities, and the music department. Lunch was served by the Kiwanis and Lions Clubs in the new cafeteria.



Members of the Senior High Mixed Chorus entertain.

Visitors tour lovely new library.

Mr. Brown chats with visitors.

Lions and Kiwanis serve refreshments to crowd.

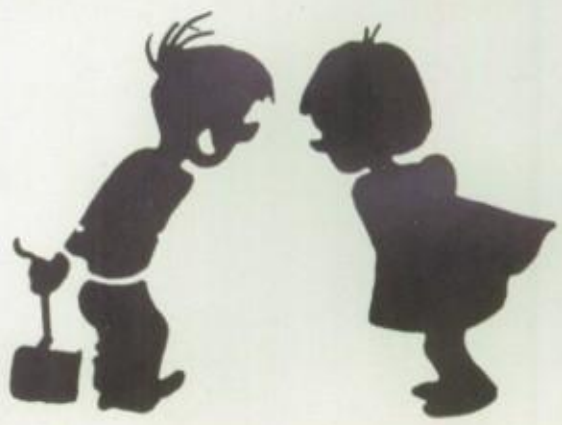
Junior High School Life

The fact that we are now separated from Junior High students does not cause them to go unnoticed. In the absense of the Senior High, new clubs and organizations have been formed at Central. Under the advisorship of Miss Kyvig, the Junior High girls are now actively participating in both GARA and Pep Club. Another newly formed group is the Art Club supervised by Mr. Odegard. Also a new feature at Central is its school paper, edited by several Junior High journalists.

Many activities in Central are very similar to those in the Senior High. The Library Club and the FHA are two extremely hard-working organizations, modeled closely after those of the Senior High. Having an integral part in the governing of Junior High affairs is the student council. The Junior High students all also very active in their music department. Their choirs and bands join to present concerts, much in a manner similar to that of the upperclassmen.

Junior High sports are also an important part of school life. Boys have the opportunity to participate in basketball, football, track and baseball. To aid school spirit, the Junior High has also chosen four cheerleaders, who present pep fests, and lead cheers at the various activities!



Pam,
It's been a fun year, but just think we have only an hour left before schools out. I sure hope you have fun this summer which I know you will, I see you this summer. I hope you have good luck in the future. You're a real sweet kid!!
Love
Kathy A

We have had a lot of fun in Art
Hope to see you next year.

Senior High Student Council

ROW 1: Kwansuparerg, Halverson, Rodeberg, Larson, Milbeck. **ROW 2:** Fiene, Bergo, Fleck, Anderson, Quenemoen, Denbrook, Agre, Bang. **ROW 3:** Wendland, Olsen, Bonn, Hakel, Nerison, Simonson, Rongstad, Bergo, Eiken.

Mr. Dziuk

The Student Council exists mainly for the purpose of governing the student body's activities. Each class and club is represented in the Student Council by one or more members who voice the needs and desires of his organization. The Council meets once a week to discuss matters concerning the students. It also has some part in forming student policy.

Under the direction of Mr. Dzuik, the Council's most important jobs are to plan the Fall Homecoming activities and the Presidential Election in the spring. Other duties include scheduling the after-game dances and forming the dance rules. During the football season, Student Council members run the concession stand. Part of the proceeds made go as a donation to the American Field Service.

The Executive Council is made up of the President, Vice-President, Secretary, and Parlimentarian. The President and Vice-President, Evan Rodeberg and Steve Larson, respectively, are elected by the members of the Student Council. The foreign exchange student, Don Kwansuparerg, sits as an honorary member of the Council.

Future Teachers Of America

The Future Teachers of America is made up of approximately thirty students who are interested in a teaching profession. F.T.A. provides each member with the opportunity to practice teach in either the Junior High School or in one of the grade schools.

This year's officers are Nancy Velde, President; Pat Strand, Vice-President; Mary Kratz, Treasurer; Marilyn Moxness, Secretary; and Kris Rongstad, Student Council representative. The F.T.A. advisor is Mr. Moe, the vocational counselor.

Experience in F.T.A. gives members information about the teaching profession which may help them decide whether or not they wish this as a career.

Miss Ahlgren

The American Field Service Club's main objective is to finance an A.F.S. Student to Montevideo. To raise money for this project the organization sponsored a dance, a Tag Day, and sold "Happiness Books." A.F.S. students from neighboring towns were asked to participate in various meetings, enabling the club members to become better acquainted with foreign affairs. Monte's applicants for next year's student aboard are Cort Holten and Bill Wood. It is hoped that this summer the club may have a "bus stop" for A.F.S.er's returning home. The A.F.S. Club is headed this year by: President, Beth Nerison; Vice-President, Don Kwansuparerg; Secretary, Mary Prindle; Treasurer, Nancy Velde; Parliamentarian, Bill Homan. The club is under the supervision of Miss Ahlgren.

Our Exchange Student

Montevideo students are very proud to have this year as their foreign exchange student, Kasem Kwansuparerg, more commonly known as "Don". His home is in Thailand, where he lives with his parents, three brothers and five sisters. While in Monte, he is making his home with the Newton Anderson family.

Don is kept extremely busy both in and out of school. Not only does he take Chemistry, World Affairs, Social Science, English, Speech, and Chorus, but he is also an honorary member of both the AFS Club and the Student Council. Besides these organizations, he participates in wrestling and cross country. He is an avid sports fan and is found at many athletic events. He also enjoys American pastimes such as dancing.

All agree that Don has done an excellent job of adjusting to American family and school life. We, the Class of 1967, are honored to have him as a member of our graduating class.

Don's first American Christmas.

Delta Pi Quadrants

Mr. TeBeest

The Math Club consists of juniors and seniors who take either geometry or trigonometry. The officers: Steve Olson, President; Jed Mueller, Vice-President; Mark Peterson, Secretary; Brad Badd, Treasurer; David Bonn, Student Council Representative; and the advisor, Mr. TeBeest, plan the program for each meeting. This year the club has undertaken the study of the slide rule operations and of probability. Members are allowed to check out the club computer, the payment of which was completed this year, to study programing and to drive themselves insane trying to beat the infallible machine at tic-tac-toe! Mathematical games, almost as frustrating as the computer, are also available to members. A major project of the Delta Pi Quadrants has been the Math Fair. Since a considerable amount of preparation is necessary for this, the Fair may be held next year. This club provides an interesting diversion on Monday nights and is definitely a great stimilus to anyone who wishes to further their knowledge of mathematics.

ROW 3: Molde, Arneson, Philiph, D'Allesantro, Ostenso.

The Spanish Club, under the advisorship of Mr. MacLaughlin, is made up of students in the Senior High who have had at least one year of Spanish. This year's officers are: Bonnie Swanson, President; Sandy Anderson, Vice-President; Marcia Reed, Secretary-Treasurer; and Terri Simonson, Student Council Representative. This club sponsors dances, has holiday parties and welcomes all Spanish-speaking foreign exchange students from surrounding cities to Montevideo.

This year some of the members will be attending the Ballet Folko'rica in Minneapolis. They also have plans for a project during Fiesta Days this summer.

The Library Club, under the supervision of Miss Marjorie Fader, is comprised of a group of hard working girls who are responsible for maintaining the efficiency of the library's many functions. Membership in the club is open to any Senior High School boy or girl who has maintained a satisfactory scholastic average and is genuinely interested in promoting library efficiency. Each member is required to work a minimum of two hours in the library each week.

The primary aims of the club are the development of useful library skills, increase in the appreciation of books, and citizenship training. Responsible for the basic organization of the club's activities and meetings is the executive board, which is elected annually by the club, as a whole. Serving on this year's board are President Connie Bang, Vice-President Jeanne Milbeck, Secretary-Treasurer Sharon Augeson, and Student Council Representative Marlene Milbeck.

This club has aided in the purchase of lounge chairs for the new Library. Their money making projects included the sale of Kiwanian Travelogue tickets, a car wash, and a Christmas bake sale. Every spring the club takes an educational-cultural trip. Each senior member also receives a book, in appreciation of her services.

The Sketch Club is a newly formed organization this year. Under the leadership of Mr. Stai, it is attempting to contribute art to our new school. Among its projects this year is an all-school art exhibit, poster-making, and visits to art galleries.

The three officers are Pat Jensen, President; LuAnn Folkestad, Secretary-Treasurer; and Suzanne Quenemoen, Student Council Representative. The only qualifications for joining are a genuine interest in art and a previous class in it sometime during the high school career.

EDITORS: Michele Fleck and Cathy Marienau

Each month the Journalism Staff publishes **The Montevidean.** The various articles and columns for this four page paper are written by the staff members who meet during the seventh hour each day. At the beginning of each month, the editors make a list of articles which will appear in the coming paper. These are then assigned to the staff members and must be completed by a certain date. When the assignments are finished, the editors arrange a proper layout. After printing, the paper is sold in school for ten cents a copy. Copies are then sent by the business manager to subscribers and by the exchange editor to the schools in the surrounding area. These schools in turn, send copies of their school papers to Montevideo.

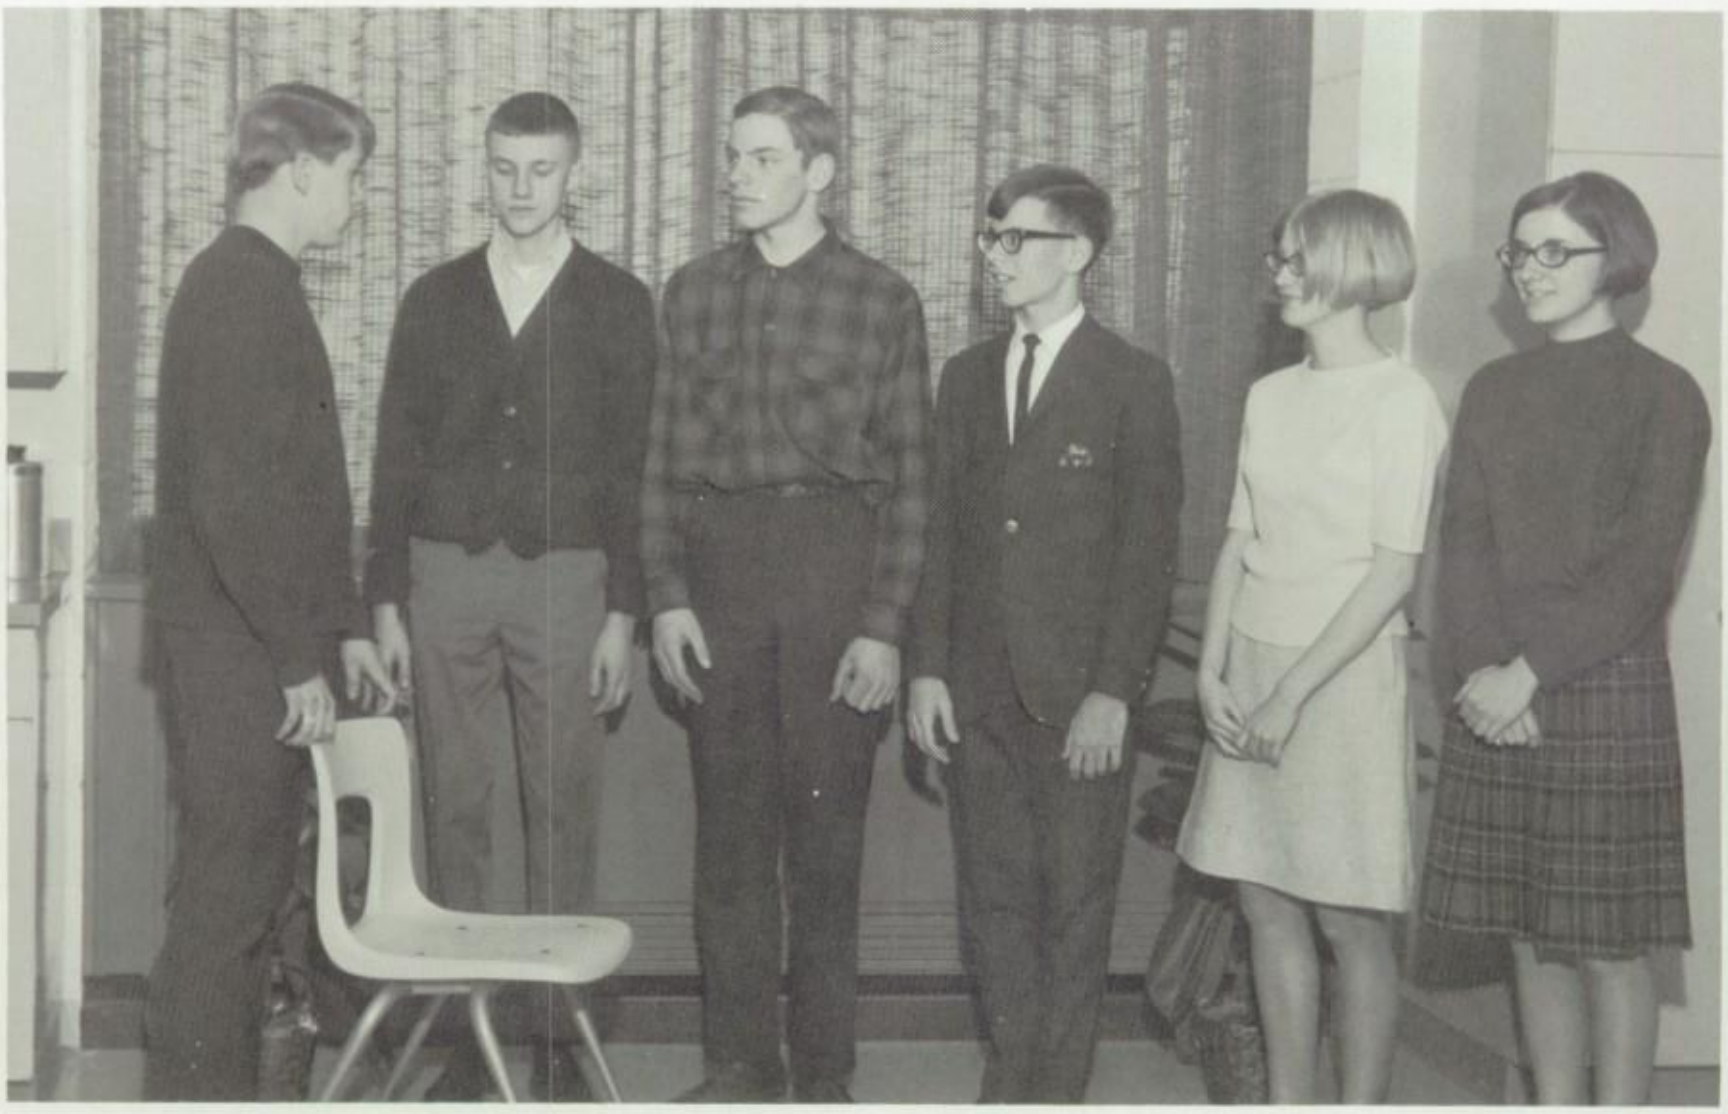
Debate



Homan, Peterson, Waterman, Berg, Nelson, Larson.

Mr. Hanson

The debate squad is divided inot two teams, affirmative and negative. It is the affirmative team which agrees with the annual topic. They must show a need to change from the status quo and plan to remedy this need. The negative team usually supports the status quo and attempts to disprove the flaws set forth by the affirmative. The negative team, however, may agree that a change is warranted and present a counter plan which they try to prove is better.

At debate tournaments, each town is represented by an affirmative and a negative team. Each debater has a ten minute speech and also a five minute one. The judge, who is usually a debate coach or college professor, decides the round winner and also rates each speaker individually. First place goes to the town, whose affirmative and negative teams have won the most debates.

This year's debaters have attended a workshop in Moorhead and two debates in Hutchinson. They also placed second in the District Debate Meet at Granite Falls.

Throughout the year the band performs at each concert, plays in a contest, attends a festival, and, in combination with the Varsity Band, plays at all home games and pepfests. This year it also has clinics with Dr. Bencriscutto, director at the University of Minnesota, and with Butler Eitel, head of the Macalester Music Department.

Girls' Athletic And Recreational Association

The GARA is made up of about fifty girls from the Sophomore, Junior, and Senior classes. It is different from other organizations in that it benefits only the members who actively participate in it. It gives the girls who participate experience in physical activity, teamwork, and a sense of satisfaction and accomplishment. The officers, who were elected in the fall, are: President, Connie Bang; Vice-President, Mary Kratz; Secretary, Julie Larson; Treasurer, Margaret Pedlar; and Student Council Representative, Kay Denbrook. The advisor is Miss Marks. The club participates in a series of sports throughout the year. The 1966 Football Team gave Monte one of its finest seasons, with a record of eight wins and one loss. In its first six games, Monte shut out the opponent. Litchfield handed them their only loss of the season by a score of 19 to 13. In the last game of the year, Monte defeated Benson 7 to 6, scoring a touchdown and extra point in the final quarter. This victory gave Monte the Co-Championship of the West Central Conference. The title was shared with the Willmar Cardinals.

Co-captain Mark Eiken was chosen at the annual football banquet as this year's Most Valuable Player. Setting a new record this season, he gained a total of 1004 yards, 132 rushing and 952 passing. In three years he has gained 2263 yards and has thrown 21 touchdown passes, 10 of them this year. This fall he was named to the WCCO All-State Team of the Year. He became one of the three Montevideo football players to receive this honor.

School Life

"QUEEN JEANNE"

1966 Homecoming

Many hours of planning and much work went into the first Homecoming to be celebrated at the new Montevideo Senior High School. The various Student Council committees (which acknowledge the assistance of school clubs), the football team, the queen candidates, and the loyal Mohawk fans all contributed much to making it one of the best Homecomings ever.

The festivities began at 7:30 Thursday evening with the Homecoming Queen Coronation. The candidates were Connie Bang, Susan Fiene, Cathy Marienau, Janet Toftness, and Jeanne Skogrand. The royal court was completed by Junior class princesses Marcia Adams, JoAnn Fiene, and Charlene Miller; and by Sophomore attendants Janice Agre and Nancy Toftness. The student body voted for the Queen from among the five lovely senior candidates on Wednesday, but none of the candidates or students knew who the new Queen was until retiring Queen Pep Peterson placed the brand new crown on the head of Jeanne Skogrand! Cathy Marienau was crowned First Princess. The Student Council provided new crowns for both of the girls and also a beautiful new robe for the Queen.

Immediately following the coronation the entire royal court was wisked off to appear in the annual Homecoming Parade and attend the pep rally. At the pep fest the football team and the Homecoming royalty were introduced and the team captains presented Queen Jeanne with a football autographed especially for her.

The highlight of the Homecoming celebration, of course, was the football game played against the Appleton Aces on Friday night, October 7, 1966. The final score was the Mighty Monte Mohawks 34, and the Appleton Aces 0. The game left our boys undefeated and unscored against.

After the game students and alumni attended the annual Homecoming Dance, held at Ramsey. The decorations were simple but effective. There were a dozen or so tables covered with checked table clothes, candles in wicker wrapped wine bottles, guitars hung on the walls, and plenty of friendly atmosphere.

On the surface, everything seemed to come off just fine for Homecoming but, behind the scenes there were the usual problems. The real problem encountered was that of the band, or rather the bands, which were supposed to be playing at the dance. The council first completed a contract with "Danny's Reasons", a name band from the Cities. Then after the council assumed that all was settled and ready, the agency called to break the contract. After some frantic searching the council booked the "Knotts." Then at 6:30 p.m. Friday (the big day), a phone call brought the news that the "Knotts" had been in an accident but "don't worry" they'd booked another band through another agency. It was the "Four-Fifths" who actually played at the Homecoming Dance that same evening. So . . . after a few worries and more than a few panics Homecoming did come off very well and will serve as a wonderful memory for the class of 1967.

The capping of our new Queen.

Pam,

Well, I thought I would never finally make it to Kenosha, but it took me through Chicago rush hour traffic and I made it. It has been a wild week. I'm coming to an end. It has been fun having you in Kenosha, but I miss my own bed. Remember all the times you & I would tell you to get back to see your boyfriend? Well, I hope you don't get the future Summer (Next) Summer Classes next year. Good luck in the Dummer. (70")

Presidential Convention And Inauguration

The 1967 Student Body Presidential Nominating Convention was held Monday, April 10, at 7:30 p.m. The convention was called to order by the Chairman, Mark Eiken. Then followed the national anthem, the invocation by Alan Bergo, and the keynote address by Senior Class President Dave Jordahl. The nominating speeches for the five candidates were then given. Brad Roberts, the only Sophomore candidate, was nominated by Jody Kvanli. Steve Larson and Bill Homan were nominated by Ron Halverson and Cort Holten respectively. Michele Fleck gave Dave Bonn's nominating speech and Jennifer Smith nominated John Hakel.

Two of the candidates needed 80% of the 129 delegate votes in order to be declared the candidates for Student Body President. On the first ballot, Bonn led with 52 votes and Steve Larson was second with 28. It then looked as though Bonn and Larson would easily gain the 24 votes needed to give them a combined total of 104, the required 80%. The second ballot showed that this was definitely not so. Bonn lost 8 votes giving him 44 and Larson gained three to total 31. On the third ballot Hakel and Roberts lost more ground, Larson and Bonn switching positions. Bonn moved up to 42 and Larson dropped back to 28. The fourth ballot showed Bonn at 45 with Homan and Larson tied at 32 each. At this point the 2 low candidates, Hakel and Roberts were making decisions as to whom they would support. Between the fourth and fifth rounds, much politicking entered the scene backstage. Finally as the fifth round was to begin, Brad Roberts stepped forward stating that after "looking at the issues", he had decided to back Bill Homan. John Hakel then took the floor, saying that he would support Dave Bonn. The fifth round of voting then showed Bonn 49, Homan, 29, and Larson 44. In this ballot Steve Larson set the convention record for the most votes from one delegation, 12.

Newly elected President
Steve Larson

Just before the sixth ballot, Bill Homan threw his support to Steve Larson, with an understanding that his platform, Brad Robert's platform and Steve Larson's platform would be incorporated against Dave Bonn. Steve announced his running mate as Bill Homan and Dave Bonn named John Hakel as V. P. on his ticket. Brad Roberts endorsed the Larson-Homan ticket. Thus the convention was finally finished.

The following Monday, after much politicking, bargaining and campaigning, the Presidential election was held. Steve Larson and Bill Homan won this very close race, defeating Dave Bonn and John Hakel by a scant 20 votes, the closest election yet. The Inauguration took place at 1 p.m. Tuesday, with Ron Halverson, the Parliamentarian presiding. Student Council Secretary, Marlene Milbeck administered the oaths of office to President Steve Larson and to Vice President Bill Homan. Steve gave a fine Inaugeral Address and Bill thanked their campaign managers and loyal supporters.

Youth and Success

by

Carey Holbrook

Before you, under smiling skies,

The pathway of your future lies,

So straight it seems to youthful eyes

You would not guess

How many roads, to left and right,

Lead downward from that distant height,

Where gleaming in the morning light,

You see Success!
